Fourteen Days' Clearance Sale!

Begins at Once and Continues to Saturday, January 10

Everything in our store that sells for more than five cents (with the exception of Spool Silk, Thread, Munsing Underwear and Black Cat Hosiery) will be sold in this sale at special prices. As soon as any lot of goods is closed out, that ends it. No more bought to sell at that price.

We begin stock taking January 19 and must reduce stock at least \$10,000.00 before that time. We have done this easily in past seasons, and this of all years should be our best sale. Ladies wait for this sale. They get more for their money each year. Our stock is larger. This forces us to plan better-to cut deeper our prices in order to get our stock where we can be in a position to serve you well with new goods in February and March.

Very few kinds in this sale pay cost of selling, many at a loss. This closes the largest year's business that we have ever had. We do not know of another sale in Vermont where goods the quality of ours sell as low as our sale prices. We are always willing to take a loss in order to clean stock.

This advertisement, going out in several different ways, will be read by at least 50,000 people. This means a rush that will take lots of kinds in a hurry.
